INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
Washington, D.C. 20231

Sir:

In accordance with 37 C.F.R. § 1.56, the references listed below and on the attached Form PTO-1449A are being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified patent application.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 C.F.R. § 1.97(g)), as an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. We enclose copies of the cited documents.

It is respectfully requested that the Examiner indicate consideration of the cited references by returning a copy of the attached Form PTO-1449A with initials or other appropriate marks, and that the references be made of record as cited references in the application.
